MAY 1- AUGUST 1

## MARS ROVER MANIPAL FINISHES 8TH IN URC

In the recently concluded University Rover Challenge 2019, Mars Rover Manipal secured the 1st position in Asia and 8th position worldwide. We have also been awarded the John Barainca Memorial award for outstanding performance in the Science mission. Our total score at URC' 2019 was 281.44 out of 500 points. Scoring 95 points out of 100 in the science mission was our key highlight this year. We stood amongst the top five teams in the Equipment Servicing mission and performed well in all other missions as well.

### The John Barainca Memorial Award

MRM scored a whopping 95 out of 100 points in the science mission at URC'19 and was awarded the John Barainca Memorial Award. Our science presentation was immensely praised by the jury comprising of astrobiologists from NASA's Ames Research Center.

### MRM Gets Featured on National Media

Prominent national media houses like The Hindu Business Line, The Times of India, ANI News and the Deccan Herald featured MRM's success at The University Rover Challenge 2019.

### Club Expo

The first event of its kind in MIT, Club Expo was conducted under the AICTE Student Induction Program and formed a part of the orientation for first-years. All Cultural Clubs, Technical Clubs and Student Projects were given stalls.

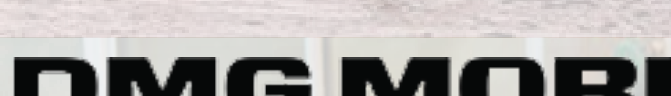

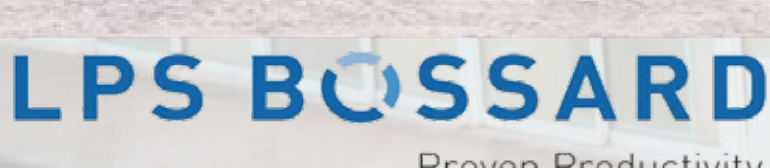

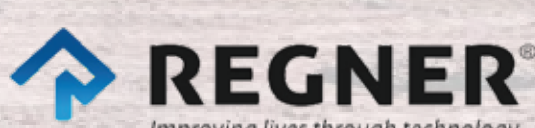

Mars Rover Manipal exhibited its 2018 rover as a part of this expo and made the freshers aware about the team and its working.

Mars Rover Manipal would like to express heartfelt gratitude towards our sponsors, our college, university and all our well-wishers for their support throughout our journey to the University Rover Challenge 2019.
